Dear all:

As agreed to in the June 4th WSA staff meeting, I would like to get your Reference presentation(s) for the following topics:

- |                                  |   |
|----------------------------------|---|
| 1. External Research Program     | B. Davies → <i>is this enough info?</i> |
| 2. Electrically Heated Cigarette |   |
| A. Design                        | Product Development                     |
| B. Testing                       | OK. Podraza                             |
| 3. ✓ Total Exposure Study        | R. Walk                                 |
| 4. Product Integrity Approach    | OK. Podraza                             |
| 5. Harm Reduction Approach       | OK. Patskan                             |
| 6. Biomarkers                    |   |
| A. Biomarkers of Effect          | OW. Reininghaus                         |
| B. Biomarkers of Exposure        | R. Walk → <i>needs revisions</i>        |
| 7. Assays                        | OW. Reininghaus                         |
| 8. Consensus                     |   |
| A. Compensation                  | R. Kinser                               |
| B. Causation                     | R. Dempsey                              |
| C. ETS-Adults                    | T. Sanders                              |

I will have all of these reviewed and approved by our Law Department. Once that is obtained, they will be available on the WSA shared folder for your future reference and use.

These will have to be updated by you on a periodic basis as new information becomes available.

If you have any questions, or I can clarify any of the above, please let me know.
